DIRECTOR'S NOTE

HEADTEACHER'S NOTE

Note from the Director's Desk

Dear Parents and Guardians,

As we approach the final weeks of the term, I would like to sincerely thank our parents, guardians, teachers, and learners for their continued support, commitment, and dedication.

We are proud of the progress our learners have made, both academically and socially. As we approach the end of the term, we encourage all learners to remain focused, motivated, and committed to their studies so that they can finish strong.

As we prepare for our End-of-Term Assessments, we kindly ask parents and guardians to support their children through regular revision, consistent attendance, and adequate preparation.

After the assessments, Parent-Teacher Consultations will take place from Monday 23rd to Friday 27th. This will be an opportunity to discuss each learner's progress, achievements, and areas requiring improvement. We encourage all parents and guardians to participate.

director's note continued....

We also look forward to our Christmas Cantata, where our learners will showcase their talents through music, song, and creative performances. It will be a wonderful celebration of love, kindness, gratitude, and togetherness.

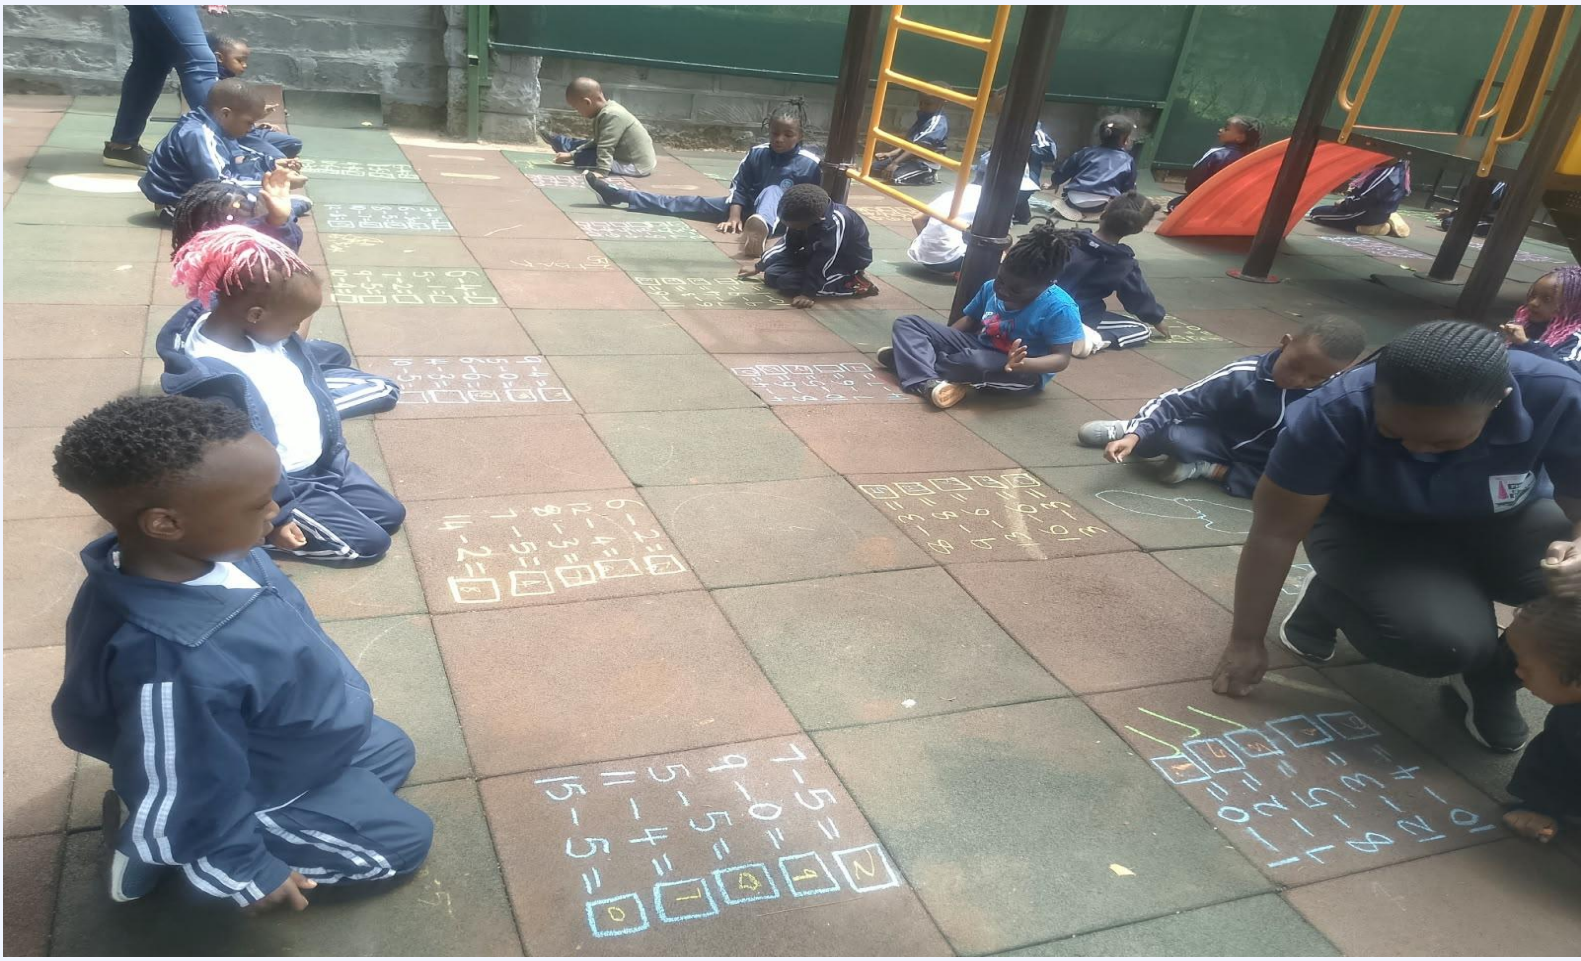
IMPORTANT NOTICE: We have planned for a consolidated Closing Day. The two schools will have a joint Closing Day, on Thursday 3rd December at Pink Tower Children's House, Mzima Springs Branch. The Kindergarten celebrates its 15th Anniversary this November! In it's support, we have planned to share a beautiful Christmas Cantata Celebration. Join us there on Thursday, 3rd November.

In addition, we shall be having our Children's Home Drive, scheduled from 9th to 13th November. This initiative is aimed at extending love and support to children in need. We encourage our entire school community to participate, as every contribution, no matter how small, can make a meaningful difference.

director’s note continued….

As is tradition, our K3 class will have the opportunity to visit and gift the following Children’s Homes in Nairobi on Friday 13th November. Hope House Children's Home in Mountain View and Mary's Children's Home in Satellite.
The dry weather has seen our children playing on a very dry school field. However, we are working on leveling the field and creating a more beautiful and functional school field. A development we can look forward to by January 2027.
As we look forward to the close of the term and the festive season, let us continue working together to nurture confident, responsible, and well-rounded learners.
Thank you for your continued trust and partnership. We wish all our families a successful end to the term and a joyful, peaceful, and blessed Christmas season!

With warm regards,
MS. Phyllis Mburu.
Director.



"Education is the most powerful weapon which you can use to change the world.." —Nelson Mandela

Dear Parents and Guardians,

I hope this message finds you well as we approach the final weeks of what has been a truly remarkable and productive term. Across all year levels at Pink Tower International School, our classrooms remain vibrant hubs of discovery and learning. The academic momentum in our school continues to flourish at a top-notch standard, and we are immensely proud of the focus, curiosity, and dedication our learners display each day.

Building on that enthusiasm for learning, we successfully hosted our annual Mathletics event on Wednesday, 4th November.

MR. EZEKIEL MUSERA
HEAD OF SCHOOL

This exciting initiative will engage our learners in dynamic cognitive competitions centered on arithmetic across various levels, giving every child the opportunity to sharpen their problem-solving skills, build mental agility, and celebrate mathematics in a collaborative and joyful environment.

Our commitment to educational excellence continues to grow, and we are delighted to share that we have recently welcomed additional teachers to our academic team. These dedicated professionals have already proven to be remarkably skilled, passionate, and helpful additions to our faculty, and we are proud to have them on board strengthening our learner-centered instruction.

Looking ahead, our End-of-Term Assessments will take place from Monday, 16th November to Friday, 20th November, followed immediately by Parent-Teacher Consultations from Monday, 23rd November to Friday, 27th November. To ensure this period is both smooth and efficient, we kindly ask that you encourage your children at home to embrace their classwork, complete daily homework thoughtfully, and remain attentive in class so they can approach their assessments with confidence and ease.

We are also eagerly anticipating our Christmas Cantata and Closing Day Event on Thursday, 3rd December. In the coming days, we will be sharing digital links to the songs and presentations so that your children can practice at home, along with specific guidance regarding costumes for the day so that you can comfortably prepare them for their performances.

In the spirit of compassion and community, we launch our Children's Home Charity Drive this Monday to Friday This is in support of needy children in our society.

Finally, we call upon your continued partnership in reinforcing the fundamental values of respect, kindness, and personal space at home. When children learn the importance of respecting others' personal boundaries and treating everyone with empathy, these habits naturally translate into the school environment, helping us keep Pink Tower International School a safe, welcoming, and nurturing space for every single child.

Thank you for your ongoing support, dedication, and partnership in making our school community thrive.

Warm regards,

Mr. Ezekiel Musera.
Head of School.
