DIRECTOR'S NOTE

HEADTEACHER'S NOTE

Note from the Director's Desk

Dear Parents / Guardians,

Dear Parents and Guardians,

We are delighted to welcome you and your children back to school for the new term. It is wonderful to see our students return safely, energized, and ready to learn. I am pleased to report that all students have settled in well, with learning commencing smoothly across all classes. As we enter this final, shorter term of the academic year, we remain focused on making every day productive and purposeful. This term represents the crucial final stretch of the academic calendar. Our primary goals are to consolidate key concepts, complete the syllabus, strengthen independent learning skills, and thoroughly prepare every student for end-of-year assessments and smooth transitions to the next grade level. We are committed to ensuring that each learner finishes the year strong, confident, and well-equipped for future success.

Upcoming Events

*** To foster community engagement and student inspiration, we have planned the following key activities: Friday, 15th May: Mbuzi Choma Gathering for K3 parents. This will be a valuable opportunity to connect, celebrate achievements, and strengthen our school community. Friday, 23rd May: Kids Fun / Parents Career Networking Day. We warmly invite parents to share their professional journeys and expose our learners to a diverse range of career paths.**

This week we are holding our Parent-Teacher Consultation sessions. We encourage all parents to actively participate, as these meetings provide important insights into your child's progress and next steps. Your continued support at home remains vital.

*“The beautiful thing about learning is
that no one can take it away from
you.” – B.B. King*

director's note continued....

We kindly ask that you maintain consistent routines, monitor academic progress, and nurture positive attitudes toward learning. The strong partnership between school and home is essential to every child's success. We are deeply grateful for your ongoing trust and cooperation. Together, let us make this final term productive, meaningful, and memorable for all our students. Wishing you and your families a successful and fulfilling term ahead.

Best regards,

MS. Phyllis Mburu.

Director.

*“Free the child’s potential, and
you will transform him into the
world.” – Maria Montessori*

Dear Parents and Guardians,

Warm greetings from Pink Tower International School, and welcome to the Summer Term.

As we begin the final term of our academic year, I would like to express my sincere appreciation to all our parents, teachers, and staff for the continued partnership and dedication shown throughout the year. Your support has greatly contributed to the growth and success of our learners.

**MR. EZEKIEL MUSERA
HEADTEACHER**

This term marks an important season of preparation and growth as we continue equipping our learners with the skills, confidence, and knowledge needed to transition successfully into their next classes. It has been truly rewarding to witness the tremendous progress our learners have made both physically and cognitively over the course of the academic year. Their resilience, curiosity, creativity, and enthusiasm for learning continue to make us proud as a school community.

I would also like to commend our teachers and support staff for their unwavering commitment in creating a safe, warm, and conducive learning environment where every child is encouraged to thrive and achieve excellence in both academic and co-curricular activities.

***“Education is the most powerful
weapon which you can use to
change the world.” –
Nelson Mandela***

Recently, our learners participated in the Bikeathon Event hosted at Potter House School. We were proud to see them compete with great agility, confidence, discipline, and sportsmanship. Their performance reflected the values of teamwork, determination, and excellence that we continue to nurture at Pink Tower.

This Summer Term promises to be exciting and engaging, with a variety of activities lined up to celebrate culture, environmental conservation, creativity, and talent through various sporting and co-curricular events. We believe such experiences are essential in shaping confident, responsible, and well-rounded learners.

We are also looking forward to celebrating our K3 learners as they graduate at the end of this term on Friday, 3rd July. They have been a wonderful part of the Pink Tower family, and we cannot wait to honor and celebrate this important milestone alongside them and their families.

To all our parents and guardians, thank you for your continued trust and support. Your partnership motivates us to continue providing the best educational experience for our learners.

As we journey through this final term together, I remain confident that it will be productive, memorable, and successful for every member of our school community.

Warm regards,

Mr. Ezekiel Musera.

Head of School.

Pink Tower International School.

*“Children must be taught how to
think, not what to think.” –*

Margaret Mead
