DIRECTOR'S NOTE

HEADTEACHER'S NOTE

Note from the Director's Desk

Greetings Dear Parents, Guardians, Staff, and Students,

Welcome back to Pink Tower International School as we begin another exciting term and academic year together. There is something truly special about the start of a new term. It is a season of fresh opportunities, renewed friendships, and meaningful new experiences.

We are delighted to see familiar faces returning, each a little older, wiser, and more confident, while also extending a warm welcome to the new families and students who are joining our school community for the first time. We look forward to supporting you as you continue your journey of learning, discovery, and personal growth, both inside the classroom and beyond.

A special shout out to our K3 students. A very warm welcome to Pink Tower International School. Please know that you are part of a caring and supportive community. We are committed to helping you feel at home, form meaningful friendships, and make the most of every opportunity to learn and thrive. I take this opportunity to say asante sana to the K3 class of 2026, who now form our Year 1 class. You have trusted your journey with us.

As we embark on this new term, we look ahead with anticipation to the achievements, experiences, and lasting memories that await us. We are grateful to have each of you as part of the Pink Tower family and wish everyone a successful, happy, and rewarding term ahead.

This term, while we strive to provide a healthy and adaptable menu, we also look forward to offering:

Meaningful learning experiences across every subject.

Opportunities to build lasting friendships. Growth in academics, the arts, and personal development

Our community is defined by warmth and mutual respect. We encourage every student to carry three guiding principles with them this year: kindness toward others and themselves, curiosity in the pursuit of learning, and courage to attempt what feels difficult, understanding that mistakes are simply part of growth.

Director's note continued....

To our parents and guardians, thank you for placing your trust in us. We do not take that responsibility lightly and remain fully committed to supporting your children at every stage of their journey. To our teachers and staff, your dedication forms the foundation of this school. Thank you for the care, professionalism, and effort you bring to your work each day. As we begin this new chapter, let us commit ourselves to a year marked by growth, discovery, and genuine community. Welcome to a new year at Pink Tower International School.

With warm regards,

MS. Phyllis Mburu.

Director.

*"Education is the most powerful
weapon which you can use to change
the world.." — Nelson Mandela*

Dear Parents and Guardians,

Welcome to the new term! It is a joy to see our school community back together, and I want to extend my heartfelt gratitude to all parents for your continued commitment and support. The term has begun on a bright and positive note. Our learners are focused, energized, and ready, which is a clear indicator of the excellence we look forward to achieving together this term.

This term, our educational journey is guided by our inspiring theme, "GROWING THROUGH CREATIVITY, CURIOSITY and CHARACTER." Through this theme, we aim to encourage our students to explore new ideas, remain curious about the world around them, and develop strong moral character in all that they do.

*MR. EZEKIEL MUSERA
HEAD OF SCHOOL*

To enhance learning, we have updated our schedule and daily timings. Due to these revised class timings, school will now begin strictly at 8:00 AM, and we kindly request parents to support their children in arriving on time every day. Furthermore, we have adopted a timetable that accommodates a 30-minute afternoon lesson from Monday to Wednesday for the Prep school, while our K3 programs will continue as usual.

We are also excited to offer a range of engaging extracurricular activities for our learners, including additional Robotics and Coding, Ballet and Dance, which have been introduced this term. Please note that Little Einstein's and Skating serve as special extensions for our prep section, as they were previously only offered to the K3 learners. As these extra activities will run concurrently on the same day, we ask parents, especially those in prep to ensure you choose only one activity for your child if multiple choices fall on the same day (2:45 - 3:30 pm).

Beyond the classroom, we are exceptionally proud to share that our older classes, Years 4 and 5, have introduced a new uniform. This new look serves as an indicator of their growth and confidence as we continue to root for academic excellence here at Pink Tower International School.

Looking ahead, we have a couple of upcoming school events that will require active parent participation. Because these events revolve directly around the welfare and development of your children, we advise parents to kindly plan to attend. Thank you once again for your partnership, and we look forward to a successful and inspiring term ahead.

Warm regards,

Mr. Ezekiel Musera.
Head of School.
